# Welcome

Four days... 16 teams... 28 games... one champion.

We welcome you to Terre Haute North Vigo High School to experience the 2024 First Financial Classic.

NBA great Kareem Abdul-Jabbar once said, "Five guys on the court working together can achieve more than five talented individuals who come and go as individuals." This tournament, and the 16 teams who come to compete in it, epitomize what it means for five players to work together as one team. Over the past 25 years, the Classic has been host to some of the best high school student athletes whose talent was highlighted by the performance of their entire team. As fans, we all have games we remember. We're hopeful at the end of the 2024 tournament, you leave with new memories of outstanding competition from all of our talented teams.

First continues to be honored to serve as the Corporate sponsor of the Classic. We appreciate you, the fans, as you support our participating schools and their athletes. Without you, this tournament just would not be the same.

We wish all 16 teams the best of luck and we look forward to the best holiday high school basketball tournament in the State of Indiana.

**Norman D. Lowery**  
President and CEO  
First Financial Corporation

Congratulations to your  
2023 Champions
